A photograph of a multi-story building, likely a school or institutional structure, featuring a prominent red sign with the word 'SANT' in white capital letters. The building has a light-colored facade with dark horizontal bands. In the foreground, there are green trees and foliage, partially obscuring the view of the building. The sky is overcast and grey.

A collage of 12 black and white photographs arranged in three rows of four. The top row shows modern architectural details: a building with a large overhang, a building with a cantilevered upper floor, and a building with a curved facade. The middle row shows urban scenes: a street view with buildings, a building with a large overhang, and a building with a curved facade. The bottom row shows industrial and urban scenes: a building with a large overhang, a building with a curved facade, and a building with a curved facade.
